

Copper Core Pump SOLVENT BOTTLE

Large liquid tray + Anti-splash & Anti-clog + Triple leak-proof, suitable for pcb cleaner and alcohol

TB3

1 Press-to-dispense design

Light press to dispense, one-hand operation

2 Copper core pump core

Copper core pump is corrosion-resistant, significantly extending service life

3 Anti-clog and anti-splash

Triple filtration design for smooth dispensing without splashing

4 Weighted anti-tip design

Wide base + thick-walled bottle body for anti-tilt stability

5 Gradient ribbed appearance

Matte finish + vertical anti-slip texture for more comfortable handling

RELIFE

Copper Core Pump With Triple Filtration Anti-clog

Built-in multi-layer filter structure effectively blocks impurities and prevents clogging; upgraded sealing ring ensures complete leak prevention

Large liquid tray

Sealing ring

Copper core pump

RELIFE

Precise Control With One Hand

Thickened bottle body with weighted base for stable placement, light press brings liquid up instantly, easy one-hand operation

RELIFE

Innovative Appearance With Visual Upgrade

Innovative vertical striped gradient spray-paint finish, designed to be non-slip and ergonomically contoured, blending aesthetics with functionality.
