

8. The nickel base is 50 - 80 U" min. The soldering area is gold-plated, and the contact area is gold-plated 3 U" min.

- Mould Code: R-Conventional
- Coating: Gold Plating
- Material: SUS301-T010
- Height: H 3.5mm
- Width: W 1.5mm
- Length: L 3.5mm
- Series: Antenna Spring
