5962-8759601EA, 26LS34/BEA

Line Receiver, Quad Differential

Rochester Electronics Manufactured Components

Rochester branded components are manufactured using either die/wafers purchased from the original suppliers or Rochester wafers recreated from the original IP. All re-creations are done with the approval of the Original Component Manufacturer (OCM).

Quality Overview

To access the military specification for this part, click access the Defense Logistic Agency website and search by part number.
